Kurt Heikkila elected Chairman of the Board of Directors**

Vancouver, BC – North American Tungsten (TSX.V: NTC) ("NTC" or "the Company") is pleased to announce the results of the annual and special meeting of the shareholders of the Company held March 22nd, 2013 in Vancouver BC. At the meeting the shareholders of the Company:

- Elected Ronald Erickson, Kurt Heikkila, Allan Krasnick, Stephen Leahy, Dennis Lindahl, Bryce Porter and Christina Scott to the board of directors until the next annual meeting;
- Appointed PricewaterhouseCoopers, LLP to be auditor of the Company for the financial year ending September 30, 2013, and authorized the board of directors to fix the remuneration of the auditor;
- Approved the Company's stock option plan more fully described in the information circular dated as of February 15, 2013 (available for viewing on SEDAR); and
- Approved the extension of the Company's Shareholder Rights Plan for a further two year period more fully described in the information circular dated as of February 15, 2013 (available for viewing on SEDAR).

Two long-standing directors of the Company, Wayne Lenton and Kenneth Collison, did not run for re-election and the Company wishes to thank both of them for their contributions over the years.

Subsequent to the annual and special meeting, the board of directors appointed Kurt Heikkila as the chairman of the board of the Company. The board of directors has requested that the new Chairman undertake enhanced efforts and strategies to substantially improve the production and efficiency outcomes at the Company's CanTung mine.

Messrs. Porter, Krasnick and Lindahl have been appointed as members of the Audit Committee.

ON BEHALF OF THE BOARD OF DIRECTORS

“Stephen M. Leahy”

Stephen M. Leahy,
President & Chief Executive Officer

ABOUT NORTH AMERICAN TUNGSTEN CORPORATION LTD

The Company is a publicly listed Tier 1 Junior Resource Company engaged primarily in the operation, development, and acquisition of tungsten and other related mineral properties in Canada. The Company's 100% owned CanTung mine and MacTung development project make it one of the few tungsten producers with a strategic asset in the western world. MacTung is one of the world's largest known undeveloped high grade tungsten-skarn deposits.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term as defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
